

12-Month Placement

EARLY CAREERS

2024

We are now recruiting for multiple placement students within our award-winning Audit, Corporate Finance, Tax and sector specialist teams.

Hazlewoods, UK Top 35 Business Advisers and Chartered Accountants, is a practice with a difference. Our unique specialist sector expertise gives us a UK-wide client base, whilst based in beautiful Gloucestershire.

With over 500 employees, we are large enough to provide plenty of opportunities for progression, but small enough that everyone can make a difference. You will work with a portfolio of interesting and diverse clients: having an array of responsibilities and variety of work, no two days are the same!

Our 12-Month Placement positions are aimed at those studying a relevant degree at university i.e. Accounting & Finance, Business, Economics or Maths, who are looking to gain professional accountancy experience. Our programme is ICAEW accredited so the twelve months you spend with us, can count towards your ACA qualification.

During your time here, you will take on similar responsibilities as a first year apprentice. You will gain exposure to various business activities and work on interesting client portfolios, providing you with a great stepping-stone into a future career with us. If your placement goes well, you will be offered a training contract with us and may be eligible for a returner bonus of £1,000.

The right person will:

- be studying towards a relevant degree
- have at least 112 UCAS points from a minimum of 3 A levels or equivalent
- have a Grade 6 or above in GCSE Maths and English Language
- be driven and enthusiastic, with a genuine interest in an accountancy career.
