

Senior Accounts Associate Healthcare – Cheltenham

Hazlewoods Healthcare team provides tailored accountancy advice to the healthcare industry from tax returns to selling healthcare businesses.

The healthcare sector is diverse; we act for care providers, including individual care homeowners, corporate groups, not-for-profit organisations and private equity investors across multiple sub-sectors.

You will be part of a friendly, hardworking team of around 60 professionals and five Partners.

Our growing Healthcare team is looking to recruit an Associate on a full or part time basis.

You will be responsible for assisting the managers in supporting a portfolio of clients including companies, partnerships and sole practitioners, although predominantly corporate work.

This role will be predominantly accounts work with an element of corporation tax.

The right person will:

- Mentor and assist with the development of accounts staff, reviewing work performed by more junior members of the team
- Oversee planning, preparation and completion of annual accounts and corporation tax computations
- Prepare and review management accounts
- Be involved in some smaller audits (subject to experience)
- Build and maintain strong client relationships and initiate proactive communications
- Consider basic tax planning for clients, with the opportunity to develop this area of the role in future
- Keep managers and partners up to date with progress.

You will thrive in this role if:

- You are ACA/CA/ACCA qualified
- You have technical knowledge of UK accounting standards
- You have experience and knowledge of UK corporation tax
- You possess excellent verbal and written communication skills
- You are able to work as part of a team, with good interpersonal skills
- You have a can-do attitude, with proactive problem-solving skills
- You have a sound working knowledge of Microsoft Excel, Xero and Sage
- You have experience of audit work (beneficial but not essential).
