

Personal Tax Senior Associate Staverton

Hazlewoods

This is an exciting opportunity for an individual to work with some amazing clients in a thriving Top 35 accountancy practice.

In 2022, Hazlewoods clinched the Best Tax Practice in a Regional Firm award at the prestigious Tolley's Taxation Awards.

You will be joining an expanding team and your contribution will help our continued growth.

- Managing and developing junior members of the team and offering a professional role model.
- Understanding technical matters and presenting them in a clear and practical way.
- Supporting managers, directors and partners on advisory projects and in the implementation of complex tax planning arrangements with a focus on taxes relating to the agricultural/landowner's sectors, which will include capital gains tax and inheritance tax.

The right person will:

- Manage a portfolio of clients including business owners, partnerships, sole traders and HNW individuals and their related companies or trusts, ensuring excellent client service.
- The role will be mixed, with both advisory work and responsibility for compliance.
- Building and maintaining client relationships.
- Managing the successful delivery of tax projects, ensuring technical excellence and a commercial approach.
- Reviewing of income and corporation tax computations, including liaising with specialists on technical matters.

You will thrive in this role if:

- ACA/ACCA and/or ATT qualified. CTA desirable.
- Client driven and commercially aware.
- Excellent communicator in a range of situations both written and oral.
- Team player with an enthusiastic and flexible attitude to work.
