

Audit Associate Director /Director Cardiff office

Due to continued success in the South Wales region, we are currently seeking an ambitious Associate Director or Director to work alongside the Partners in strengthening our Audit division in the area.

We are ideally looking for an ambitious and driven individual with their own network, who enjoys business development alongside leading and mentoring a team, who is pushing for career progression.

Alongside a competitive salary and benefits package, we offer an excellent Talent Development programme and mentoring scheme to ensure everyone reaches their career goals.

We are proud of our Mind, Body and Soul health and wellbeing programme and offer many social and charity events.

The role will involve:

- Managing a diverse portfolio of audit clients with a turnover range of £1m to £100m.
- Working with the Partners to develop the team through mentoring, coaching and guidance.
- Creating strong relationships across the client portfolio, becoming the trusted adviser on all technical and commercial issues.
- Effectively managing, motivating, mentoring and developing a team of qualified, part-qualified and trainees, providing input and recommendations into recruitment/staffing levels.
- Creating a vibrant working environment, where individual talent can thrive, within a dynamic team framework, where all work towards a common objective.
- Reviewing and appraising internal working practices, identifying areas where efficiency improvements can be made.
- Establishing a strong network of contacts internally and externally, including bank managers and solicitors.
- Being involved in internal compliance procedures (e.g., quality control reviews, money laundering procedures).
