

Audit Associate Cardiff Office

Hazlewoods Healthcare team provide tailored accountancy advice to the healthcare industry from tax returns to selling healthcare businesses. The healthcare sector is diverse; we act for care providers, including individual care homeowners, corporate groups, not-for-profit organisations and private equity investors across multiple sub-sectors.

Due to continued growth across the region, we are now looking for ambitious and driven Audit Seniors to strengthen our dynamic and friendly team in our new Cardiff office.

The right person will:

- Fully supervise a portfolio of clients, taking responsibility of all aspects of audit, accounts, tax and business advisory, including ad hoc project work as it arises
 - Plan and carry out audit fieldwork, statutory financial reporting and completion work
 - Assist with pre-year-end tax planning (corporate and personal), liaising closely with the tax department
 - Supervise/undertake work at client premises, liaising with clients, including acting as a point of contact for day-to-day ad hoc queries and enquiries
- Supervise, mentor and coach staff
 - Prepare benchmarking data reports used to discuss with clients and advise on their business strategy and development
 - Assist the Corporate Finance team with specialist assignments.
 - Be open to spending one day per month in our Cheltenham office for meetings, training and development.

You will thrive in this role if:

- You are ACA/ACCA fully qualified
- You understand the bigger picture as well as auditing individual balances
- You have well developed supervisory skills, e.g., coaching and motivation of audit assistants
- You have good project management techniques, including decision making ability, analytical skills, time management, organisational, evaluative and administrative skills.
